The blues form is a natural platform for improvisation and composition in the upper elementary classroom. This integrated, Orff-based unit incorporates rhythmic speech, speech ensembles, body percussion, classroom instruments, and singing. In the first part of the session, we will experience a set of activities that lead to vocal and instrumental improvisation over the blues form. The culminating activity will include class and small group blues compositions and performances.

Guest Clinician **Dr. Kate McKeage**, University of Wyoming

Elemental Blues

Friday, January 23, 2015 - all day
Garrison Banquet Hall at Henderson State University
\$25 Registration Fee
