SHOWDOWN
OCTOBER 8, 2016

PARTICIPANTS

Any Central Arkansas middle school or junior high school band that is a member in good standing with the Arkansas School Band and Orchestra Association may participate.

PERFORMANCE ORDER

Groups will perform in order according to member size from smallest to largest. Each band will have 15 minutes to march onto the field, perform their exhibition, and march off of the field.

AWARDS

Commemorative Trophies will be awarded to all participants. This exhibition program was created to feature the unique talents of all of our participating schools.

CONCESSIONS

Our Concessions Stands will be open throughout the contest. The food is good and our prices are reasonable. Grilled hamburgers, pizza, hot dogs, and a number of delicious concession items will be available. Please make every attempt to support our concessions stands, as you are well aware, our boosters who run the concessions are our lifeline and need the support.

CHECK-IN

Guides will meet your buses. They will direct you to the check-in table, warm-up site and to your performance.

WARM-UP

Two areas will be provided. Please face away from the stadium. All bands will have 30 minutes of warm-up time. No playing outside this area or prior to designated warm-up time except when marching to the stadium to a cadence.

FIELD ENTRY & EXIT

Bands have the option to march down 16th Street from the warm-up area into the stadium to a cadence.
