Dear Colleagues,

I just wanted to let all of you know that I have 2-3 slots in my Percussion studio available for the fall of 2017. If you have any students that have not committed and might be interested please let me know. These scholarships come with high monetary awards. I can be reached at 870-776-0350 and askew@uamont.edu. I appreciate your support and welcome any help in this matter.

Kind regards,
