Please consider the following music inclusion criteria before submitting:

Craftsmanship:

- The compositions melodies, rhythms, textures are interesting, musical, logical or pedagogically appropriate.
- The percussion writing is musical, logical and compliments the other elements of the work.
- The composition reflects quality orchestration- demonstrating balance between transparent and tutti scoring.
- Opportunities are present in the piece for full expression of beautiful tone quality and characteristic instrument timbre.
- The composition is consistent in its style reflecting a complete grasp of technical details and clearly conceived ideas.

Originality:

- The composition is of sufficient depth and quality to allow for several layers of study and expression resulting in many expression opportunities.
- The composition reflects ingenuity in its development.
- The composition displays melodic, harmonic and rhythmic imagination.
- The composition features non-traditional notation, instruments, effects or techniques.

Design:

- The composition has a well-conceived formal structure. The composition has form- not "a form".
- The composition reflects high quality shape and design.

Pedagogical Merit:

- The composition contains opportunities to develop expressive or lyrical playing.
- Through the judicious use of key centers, meters and meter changes, technical demands, harmonic palette and stylistic considerations pedagogical opportunities are present.
- The composition contains opportunities to develop percussion skills and techniques.
- The composition presents opportunities for solo/chamber music performance.

Artistic Merit:

- The composition has an emotional impact.
- The composition has expressiveness.
- The composition represents one of the finest examples of its type in the repertoire.
- The composition embodies the qualities that will allow it to stand the test of time- to "wear well".

Attach this form (including completed applicable Grade Level Descriptors) to four copies of a score of the requested selection and submit it with a recording to your Region representative on the Music Materials Committee. (Recording is now required)

Requests must be in the hands of your Region's Music Materials Committee member by December 15 for the following semester or May 1 for the following school year. The Music Materials Committee will meet during Christmas Break. Approved pieces will be added to the list on the ASBOA web site as soon as possible after that meeting. At that time each piece will be available for any ensemble to perform at region contest.
