

# SOUTHSIDE BANDS

PRIDE OF THE SOUTH

Tyler Fields  
Director of Bands

Directors,

I would like to invite you to Southside Band's 2019 Pre-Assessment Clinic. This is an excellent opportunity for your band to receive valuable feedback and instruction during the concert assessment season. I thoroughly believe this event will be extremely beneficial to you and your band, especially if you have a younger or smaller band. The event will take place on the afternoon and evening of February 22, 2019. We are fortunate to be able to host this event in our brand new, state of the art performing arts center.

Our experienced judging panel will consist of:

Randall Box—West Memphis High School  
Dr. Kenneth Carroll—Arkansas State University  
TBA  
Sight-Reading: Brady Massey—Williams Baptist College

Two judges will listen to your band perform on stage and then one of them will follow you to a separate clinic room to work with your band and give you some valuable in person feedback. After performing, your band will travel to a separate area to sight-read. TBA will clinic your band on sight-reading and walk your students through the process from start to finish.

The fee to participate in this clinic is \$150 per ensemble. You will be able to perform in a state of the art facility, receive recorded comments from our adjudication panel, and receive valuable instruction on your prepared music and sight-reading. Registration is due by Friday February 15, 2019 and payment is due prior to playing. Please register ASAP as there is a cap on how many bands we can accept. Registration is available online through google docs by entering the following link:

<https://goo.gl/forms/jmR4SzbG15fls0bl1>

If you have, any questions please feel free to email me at [tyler.fields@southsideschools.org](mailto:tyler.fields@southsideschools.org) or call me at 870-834-4056. I hope this is an event that you will consider, and I am highly confident it will be one that will benefit your band greatly.

Thank you,

Tyler Fields  
Director of Bands
