

War Memorial Stadium Rules/Information

Packets will be given to you upon arrival to bus parking. Passes for Directors, Equipment Trucks and Buses, along with 20 passes for your Field assistants will be included in your packet. The Director and Field Passes will gain the wearer entrance into the stadium.

\$5 Parking per vehicle – exception for your school buses and equipment trucks with passes.

NO FOOD OR DRINK MAY BE BROUGHT INTO THE STADIUM

Band Students may not bring a bag of any kind inside the stadium.

As a health precaution, we will not be stamping hands this year.

If you want to come early to watch other bands, the director MUST be with the single file line of your students at Gate 7 to identify them as performing band students before they enter the stadium to watch other bands.

All Attendees and Directors must have a pass or ticket. Performing students will not need a pass or ticket.

When you arrive at bus parking, students may go to the restrooms at Gate 11 ONLY. They will exit back through Gate 11 to return to their buses. Students should be accompanied by a director or chaperone to the restroom area.

If a band is waiting to enter the field for performance, please wait outside the tunnel until they have cleared the area.

You have been assigned to Warm-Up Area 1 or 2 on your contest schedule. Please be prompt to the Warm-Up Area, but do not crowd the group who is leaving for their performance.

Bands will enter Gate 11 (Northeast) for performance and exit through Gate 3 (Southeast). Front ensemble will follow the band until they exit Gate 3. At that point, the front ensemble will continue along the visitor side and stage along the bleachers inside Gate 11. When the tunnel is clear, you will be given permission to exit Gate 11 back to the buses.

When your band performs, your spectators may sit in the reserved seating in the center section. Please let your parents know of this option beforehand. Your parents are not required to move to this area. Once your band is finished, your spectators will be directed to move to your area of the stadium.

If your band stays for the awards ceremony, only the listed drum major(s) will be allowed to go to the sidelines on the field.

Please remember everyone must wear a mask! Social Distancing must be observed.
