PARTICIPATION OF SPECIAL NEEDS STUDENTS

Participation in competitive interscholastic activities as a part of a school's educational program is a privilege and not a right. The eligibility rules of this association are designed to promote the educational values derived from participation in interscholastic activities, prevent exploitation of youth by special interest groups, and to ensure that interscholastic activities shall remain an integral part of the educational program.

The ADA and Section 504 require that accommodations be provided to individuals with disabilities when certain conditions are satisfied. Each case will be decided on its own merits. In reaching its decisions, the ASBOA Executive Advisory will follow applicable law and consider the following:

- whether the requested accommodation(s) is "reasonable";
- whether the requested accommodation(s) is "necessary,"; and
- whether the requested accommodation(s) would "fundamentally alter the nature of" the competition, either because it would alter an "essential aspect of the game" or activity or give the student an "advantage over others and, for that reason, fundamentally alter the character" of the competition.

MARCHING BAND ACTIVITY RULES AND GUIDELINES

1. STUDENT PHYSICALS

To be in compliance with Arkansas Activities Association's policies concerning physical activities (AAA Handbook: Article III, Section 1, Rule 16 and Article III, Section 2, Rule 2) students involved in marching band will provide verification of a physical examination prior to beginning marching band practices for the school year to be an eligible participant. Using an ineligible student will result in disqualification. The yearly physical shall be reasonably expected to be within 12-15 months. (Example – physical taken in May will be considered current for the following school year.)
